A Celebration of the Valley

We're thrilled to introduce our new summer wine list! We've been able to partner with the best local owner-operated wineries, including Payten & Jones, Boat O'Craigo, and Soumah Esate, to bring you this beautiful selection that truly reflects the passion and quality of our region. We have the perfect wine for every occasion, whether you're enjoying a light and delicate Steels Gate 'Dixons Creek Block' Semillion in the sun, to the perfect pairing of a bold, full-bodied Medhurst 'Reserve' Cabernet with our Lamb for Two.

"I believe deeply in supporting local. That's why our wine list proudly highlights the Yarra Valley, featuring wines from independent, owner-operated vineyards rather than large corporations. Each selection is carefully chosen to showcase the passion, integrity, and individuality of the growers behind it. From fresh, expressive whites to bold, character-driven reds, these wines capture the essence of the region. Experience the best of the Yarra Valley, one glass or bottle at a time."

Rachael | Owner & General Manager

"Curating this wine list has been a true passion project over the past few months. I've had the privilege of travelling throughout the Yarra Valley, visiting exceptional wineries and meeting the inspiring people behind them. Hearing their stories and witnessing the dedication poured into every bottle has shaped a collection that celebrates craftsmanship, authenticity and place. This list is a reflection of that journey, and I'm excited for guests to discover and enjoy this outstanding selection of wines."
